Genuine accessories and Collection

Mercedes-Benz

The Vito

When you're dealing with the challenges of day-to-day life, it's good to have a strong partner you can rely on. Whether in the compact variant or with long or extra-long wheelbase, the Vito always offers plenty of space for your individual needs. To help maximise flexibility we have come up with a few extras too: Mercedes-Benz genuine accessories stylishly combine comfort with elegance and cost-effectiveness with mature functionality.

COLLECTION

Front air conditioning unit

The ideal interior climate at the push of a button. Just the recipe for enjoying relaxed driving and being able to concentrate properly on the road ahead, come rain or shine. The air conditioning also reduces fogging inside the vehicle, while the system's integral fresh-air filter clearly reduces the levels of pollen, dust and odours entering the vehicle. The result is pure motoring pleasure.

Front air conditioning unit (for diesel-engined Vito models)
Order no. - see price list

A sunny atmosphere - right from the outset

Parameterisable special module

For retrofitting and modification of special electrical components and systems of all kinds, this special module provides a defined and secure interface (10 inputs, 20 outputs) with the vehicle's electronic system.

Order no. B6 656 0734

Remote control

Order no. B6 656 0606

Auxiliary heaters. Pre-heating

Booster heating. Stationary heating. With the auxiliary heater, you can look forward to a cosy interior before you've even started the engine. Smoothly adjustable controls with timer and optional radio remote control. Easy to fit using the accompanying Mercedes-Benz installation kits. Your local Mercedes-Benz Service Centre will be pleased to provide you with all the advice you need.

Surrounded by exclusive design

COCKPIT

COMFORT AND DESIGN

Stainless steel door sill panel

A step above the rest. Available for driver's and co-driver's doors, as well as for the sliding doors. (Supplied singly)

Order no. B6 656 0631

Wood/leather steering wheel with burr-walnut-effect trim

The centrepiece of any stylish cockpit. A truly eye-catching design, underscored by the fine wood grain and the discreet colour scheme. Replacement of the airbag is not necessary.

Order no. B6 656 0633

Cruise control

Increase, reduce or maintain a steady road speed, all with just a single control stalk. An extremely convenient feature, that proves handy on shorter journeys too. Available for retrofitting by your local Mercedes-Benz Service Centre. Suitable for manual and automatic models.

Order no. B6 656 0664

Burr-walnut-effect instrument panel trim

Enjoy mile after mile of select individuality. The high-gloss burr-walnut-effect trim gives the interior a feel of classic elegance. Various sets are available to chose from (for the centre and side air vents, as well as for the centre console and ornamental mouldings), all with a simple, glue-on design.

Order no. - see price list

Silverstone instrument panel trim

For anyone looking to cut a particularly dashing figure out on the road. Made-to-measure good looks. Various sets are available to chose from (for the centre and side air vents, as well as for the centre console and ornamental mouldings), all with a simple, glue-on design.

Order no. - see price list

On the road in your mobile office

Office case

The ideal way of keeping everything close to hand, both inside and outside the Vito. This stylish, multipurpose office case can be kept open whilst driving, with the laptop held securely on the co-driver's seat. The case also has plenty of compartments for holding your mobile phone, PDA, pens, A4-size papers, business cards and many other useful items which you often need in a hurry. When you reach your destination, the office case can be simply turned into a handy briefcase/laptop case and taken with you. In short, an indispensable mobile office.

Order no. B6 656 0417

Writing surface

This practical writing surface simply hooks over the steering wheel. It comes with handy clips for holding your papers.

Order no. B6 656 0388

Coat hanger

Keeps shirts and jackets, for example, looking immaculate. Simply fits onto head restraint.

Order no. B6 656 0416

Stowage box for co-driver's seat

Perfect for keeping the cab tidy. This roomy box, which is simply secured on the seat cushion using the seat belt, has numerous compartments for holding articles of all shapes and sizes.

Order no. B6 626 0210

Extended centre console

There's no such thing as too much stowage space, so why not add an extra oddments compartment or an installation slot for another DIN-size unit with this extension for the bottom of the centre console.

Open compartment Order no. B6 656 0667

DIN slot Order no. B6 656 0678

Seat covers

Made-to-measure covers in a hard-wearing fabric with a pattern that matches the vehicle interior. The ideal solution for protecting the driver's and co-driver's seats, two-seater benches, armrests and head restraints. All covers have a colourful Jacquard weave, are dirt-repellent and are also machine washable at 30° C. Your Mercedes-Benz Service Centre will be pleased to advise you further.

Order no. - see price list

Protective cover

Sitting pretty. Durable, low-cost protective covers which simply slip over the front seats. Covers are oil, dirt and water-repellent, and machine washable at 30° C.

Individual seat

order no. B6 656 0598

Twin co-driver's seat

order no. B6 656 0599

Protection and comfort

**Floor mats**

Robust. Hard-wearing. Made-to-measure. You can choose from natural rubber mats, rep mats or high-quality, carpet-grade velour mats. Special cut-outs for the seat rails mean that the mats lie flat. Available for the entire vehicle interior back to the tailgate, for all interior variants. Your Mercedes-Benz Service Centre will be pleased to advise you further.

Order no. - see price list

On-board feel-good factors

Neck support

Extra lateral support puts an end to waking up with a stiff neck. Can be fitted to point either up or down, making it suitable for both adults and children. Simple, secure fitting.

Order no. B6 656 0466

Litter bag

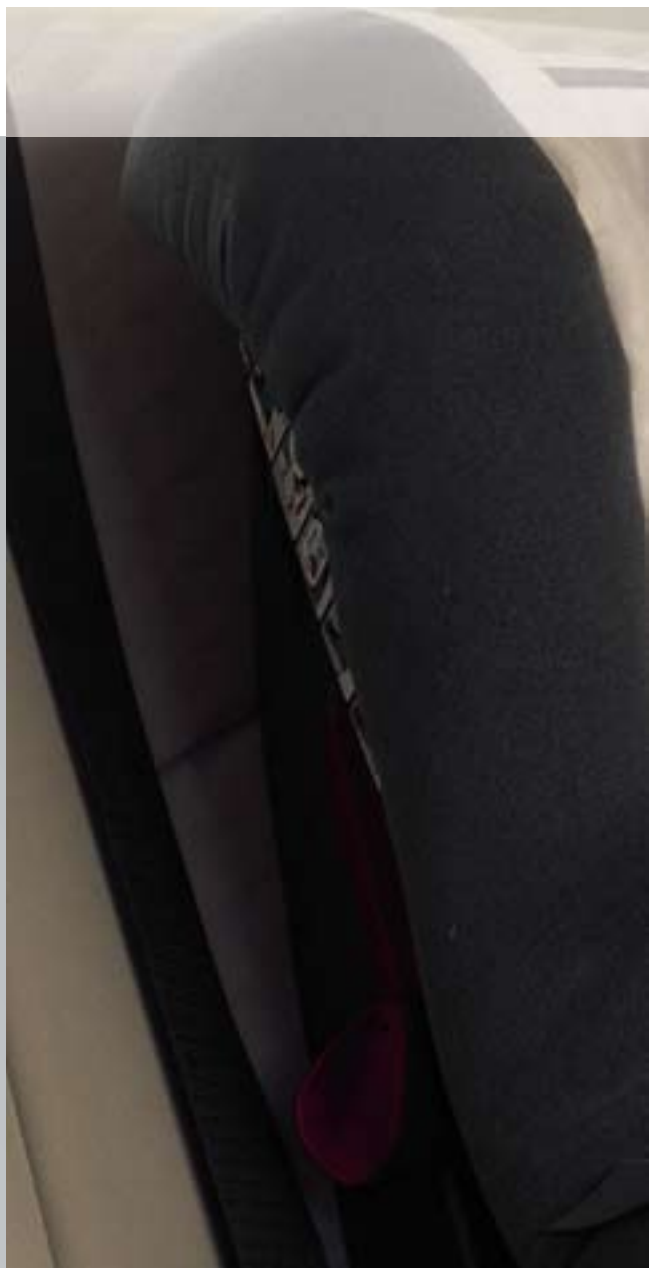

Dispose of litter easily and elegantly in this 5-litre vinyl bag. The hygienic liner bags are easily removed. Take out one bag and the next bag moves into position automatically.

Order no. B6 656 0320

Replacement liners for litter bag

Contents: 50 liners. (Not shown)

On-board child care

1 | "DUO plus" child seat

Suitable for young children between 9 and 18 kg and ages of 8 months to about 4 years. Sitting, resting and sleeping positions and the height of the shoulder straps can be adjusted quickly and easily. The standard retaining strap for the head section provides a safe attachment option with the existing Isofix system or a 3-point seat belt.

Order no. - see price list

2 | "KID" child seat

Giving child safety an extra boost. The seat that grows as your child does, thanks to a backrest whose height can be adjusted to the child's height. Suitable for children aged between approximately 3 1/2 and 12 years or weighing between 15 and 36 kg.

Order no. - see price list

3 | "BABY-SAFE plus" child seat

For babies up to 13 kg or from birth to about 15 months. This extra-deep bucket seat for babies is equipped with an adjustable sun canopy, an additional back support for very young children and an ergonomically shaped and adjustable carry handle. Secured using the 3-point seat belt. Transports children in a rear-facing position.

Order no. - see price list

Front row seats – infotainment for the Vito

COCKPIT

INFOTAINMENT

Sound 30 APS navigation system

One unit, three functions. Navigate, listen to the radio, enjoy CDs. Easy to use with simple menu-style control. Offers a variety of advantages, e.g. dynamic navigation, which reacts to any reported changes in traffic conditions. The 30 APS unit and the D2B CD changer are perfect partners. Supplied without GPS aerial.

Order no. B6 656 0501

Accompanying fitting frame

Order no. – see price list

Speaker installation kits

Let the music play ... installation kit with 2-way speakers for upgrading the front speakers or retrofitting rear speakers. (Not shown)

2-way front speaker kit

Order no. B6 656 0660

2-way rear speaker kit

Order no. B6 656 0661

Connection kit for portable MP3 players

Easily retrofitted AUX port for external playback devices like MP3 players or portable CD players.

(for Sound 5)

Order no. B6 656 0107

(for Sound 20/50 APS/COMAND)

Order no. B6 656 0108

Sound 5 radio

CD radio which can be operated using multifunction steering wheel. With 4 x 20 W total output, 25 station presets and connection for MP3 CD changer or MP3 player. When CD changer is used, the Sound 5 unit offers track title display in ID3 format.

Order no. B6 656 0866

Sound ONE MP3 radio

Exclusive audio: 4 x 45 W total output for radio, CD and MP3 enjoyment - all controlled using the multifunction steering wheel. Front panel can be removed to prevent theft and features an AUX connection for your MP3 player. The colour of the button lights can be selected.

Order no. B6 656 0722

Audio 30 APS navigation system

Identical to Sound 30 APS but with GPS aerial and installation kit.

Order no. B6 656 0663

MP3 CD changer

6-CD changer, ID3 data-compatible. Reads CD-R and CD-RW and can be operated using the multifunction steering wheel. For all Sound series units.

Order no. B6 656 0580

Installation kit

(Not shown)

Order no. - see price list

CD changer, D2B (Digital Domestic Bus)

6-CD changer. Vertical or horizontal fitting. CD changer with optical fibre. For Mercedes-Benz Sound 30 APS, Audio 10 and COMAND.

Order no. B6 656 0399

MP3 CD changer, MOST

6-CD changer with "Media Oriented System Transport" technology (MOST), optical fibres ensuring enhanced data transmission. For Mercedes-Benz Sound 20, Sound 50 APS and COMAND.

Order no. B6 656 0799

Sound 50 APS navigation system

All inclusive: the Sound 50 APS offers optimum navigation with dynamic route guidance (RDS/TMC), straightforward telephone functionality in conjunction with a networked hands-free system and rich sound quality for CD or radio. It can also be controlled using the multifunction steering wheel.

Order no. B6 656 0744

COMAND APS navigation system

Car hi-fi and intelligent navigation technology in one: the double tuner and 4 x 40 W amplifier deliver brilliant sound quality. The 6.5" colour display and the integral drive (for audio and navigation DVDs) ensure optimum driver information, and there is also a connection for a CD changer. COMAND can be operated using the multifunction steering wheel.

Order no. B6 656 0747

Tachograph

Keeps a precise and instantaneous record of driving and rest times in accordance with statutory regulations. A legal requirement in the EU for commercial goods transport where the GVW including trailer exceeds 3.5 t.

Order no. - see price list

Hands-free system for mobile phones

The elegant, neat solution for all popular models of mobile phone. Fitting a hands-free system offers you the following benefits: phone calls conducted over the vehicle's speakers and the special microphone, radio mute during phone calls, connection to the vehicle's exterior aerial reduces radiation and improves clarity. (Not shown)

Order no. - see price list

Phone aerials

You are able to choose from a range of GSM/UMTS, GSM 900 and GSM 1800 aerials. (Not shown.) Your local Mercedes-Benz Service Centre will be pleased to provide you with all the advice you need.

Order no. - see price list

Navigation CD available separately. For information concerning the latest navigation CD, please contact your Mercedes-Benz Service Centre

Freedom of speech – wherever you are

Quick-fit 16" chain to fit 205/65-16"

Order no. B6 656 0670

Stylish manoeuvring

CONTOUR

MANOEUVRING AND TOWING

Trailer couplings

Making light work of pulling heavy loads. Available with either a removable or a rigid ball head. Both versions are designed for a maximum drawbar load of 75 kg and for trailer loads of up to 2500 kg.

Order no. - see price list

Ultrasonic reversing aid

The reversing aid assists the driver when reversing by ultrasonically detecting obstacles up to a distance of 1.60 metres behind the vehicle. Audible signals aid safe manoeuvring and parking. The reversing aid retains its functionality even when a trailer coupling is fitted.

Order no. B6 656 0666

Mini coupling adapter

For connecting trailers with 7-pin connectors to 13-pin trailer couplings.

Order no. B6 656 0182

Tow rope

Be prepared! For towing vehicles up to a max. GVW of 4 t.

Order no. B6 656 0634

Tow rods

For jolt-free towing of vehicles up to a max. GVW of either 3.5 or 4.6 t.

Order no. B6 758 0013 (*max. 3.5 t*)

Order no. B6 758 2408 (*max. 4.6 t*)

Ladder support

For transporting ladders or other bulky load items safely. Suitable for all standard basic carrier bars. Contents: 2 pairs of high right-angled brackets, 2 elastic retaining straps and one locking clip.

Order no. B6 656 0807

Set of high right-angled brackets

Making sure long objects are kept firmly in place. Featuring four fully galvanised strip-steel clips. Suitable for all standard basic carrier bars. (Not shown)

Order no. B6 684 0806

Retrofit roof rails

Complete kit for retrofitting roof rails on the standard roof quickly and simply. (Not shown)

Compact Order no. B6 656 0636

Long Order no. B6 656 0637

Extra-long Order no. B6 656 0737

Standard rail-mounted basic carrier bars (2 crossways bars)

For flexible attachment anywhere along the roof rail. Load carrying capacity of 100 kg.

Order no. B6 656 0450

**Standard basic roof carrier bars (2 crossways bars)**

The system has a load carrying capacity of 100 kg and is bolted into the roof's drip channels. The sturdy, square-shaped bars form a platform for a wide range of attachments.

Order no. B6 656 0700

Standard basic roof carrier bars (3rd crossways bar)

By adding a third crossways bar, the load carrying capacity of the basic roof carrier bars can be increased to 150 kg for the standard Vito roof. (Not shown)

Order no. B6 656 0701

Roller

For simple loading and unloading of ladders, rods and other long objects. Width approx. 600 mm, diameter approx. 50 mm. Suitable for all standard basic carrier bars.

Order no. B6 656 0638

Lashing straps

For holding everything firmly in place out on the road. (Not shown)

2 lashing straps (4 m) with standard clasp fastener

Order no. B6 656 0321

1 lashing strap (4 m) with tensioning ratchet

Order no. B6 684 8524

High-class extras

Cargo rack

Roof carrier bars and cargo rack in one! An integral solution for carrying both luggage and any other load items, Sturdily built to withstand the strains of everyday use. Load carrying capacity of 150 kg. Suitable for the standard Vito roof.

Compact Order no. B6 656 0875

Long Order no. B6 656 0876

Extra-long Order no. B6 656 0877

Roller for loading rack Order no. B6 656 0461

Expanding your transport options

Rear-mounted bicycle rack

Fits onto tailgate. Can carry two cycles, suitable for almost all models and sizes. Lockable. Tailgate can still be opened with bicycle rack fitted. Includes the extra tail lights prescribed by law, requiring a power supply at the rear of the vehicle. Please take this into account when ordering the vehicle.

Order no. B6 656 0456

Add-on kit for rear-mounted bicycle rack

Attachment for the rear-mounted bicycle rack, allowing two more cycles to be carried. (Not shown)

Order no. B6 656 0457

Bicycle rack for standard basic carrier bars

(Not shown)

Order no. B6 684 8534

Roof box for Alustyle basic carrier bars

For the full range of roof boxes and their accessories please ask your Mercedes-Benz Service Centre.

Alustyle basic roof carrier bars (2 crossways bars)

Attractive, elegant design. The platform for a diverse range of attachments in an aerodynamic aluminium design. Bolted into the roof's drip channels. Load carrying capacity of 100 kg.

Order no. - see price list

Alustyle rail-mounted basic carrier bars (2 crossways bars)

For simple, flexible attachment anywhere along the roof rail. Load carrying capacity of 100 kg for standard roof.

Order no. B6 656 0449

Ski rack for Alustyle basic carrier bars

For carrying up to four pairs of skis or two snowboards. Two attachments are available for doubling the amount of equipment that can be carried.

Order no. B6 656 0328

Ski rack for standard basic carrier bars

For carrying up to six pairs of skis or two snowboards. (Not shown)

Order no. B6 684 8533

Impressive all-rounder

Multipurpose box

Big things come in small packages. This practical folding box is ideal for shopping and a host of other transportation tasks; it can be folded flat, is waterproof and can carry up to 30 kg in weight. When the box is folded flat, it doubles as a protective mat.

Order no. B6 656 0323

Non-slip lining for load compartment tubs

Made-to-measure, non-slip rubber net matting. Simply fits into the deep or shallow load compartment tub. (Not shown)

Order no. B6 656 0462

Deep load compartment tub

Protects the luggage compartment of your Vito from dirt and scratches. Made from lightweight, durable plastic. Height: approx. 27 cm. (Suitable for the long version and extra-long version)

Order no. B6 656 0412

Shallow load compartment tub

The handy way of protecting the luggage compartment of your Vito from dirt and scratches. Made from lightweight, durable plastic. Height: approx. 6 cm. (Suitable for the long version and extra-long version)

Order no. B6 656 0411

Welcome to inner space

Luggage net

Making sure that nothing gets in your way. Even if the tailgate is opened quickly, you can rest assured that nothing will fall out. Smaller items, meanwhile, can be neatly stored in the net pockets.

Order no. B6 656 0594

Load compartment stowage pocket set

A flexible solution for keeping the load compartment neat and tidy. Can be simply attached using the load-securing rings in the seat rails. Takes up hardly any space when folded flat.

Order no. B6 656 0668

Protective load sill film

(Not shown)

Order no. B6 656 0463

Protective door sill film

Self-adhesive film made from high-strength plastic material. Protects the paintwork around the front door sills. Transparent, virtually invisible, and simple to affix. Contents: 1 pair of film strips.

Order no. B6 656 0464

On the move - yet rooted to the spot

CARGO

LOAD COMPARTMENT AND TRANSPORTATION
